Birth Place : Bandung, Indonesia
Birth Date : 26 November 1999
Address : St. Belimbing II, Cimanggis, Depok, West Java, Indonesia.
Mobile Number : +62 838-0583-9153

PROFILE

Beginning of my journey in the programming world through the Indosat Ooredoo bootcamp in collaboration with Dicoding, specializing in web development and software development. Currently, I am pursuing my education at Nurul Fikri Integrated Technology College. With deep knowledge and skills in programming, I have been continuously improving my expertise over the past two years as a software engineer.

I expertise, passionate, and driven in software engineer with a strong foundation both back-end and front-end. Dedicated to contribute my expertise to a forward-thinking team, while continuously learning and growing in the ever-evolving world of technology.
